

Hello!

First and foremost, congratulations on your engagement! Planning a wedding is a thrilling journey, and we are truly honored to assist you with your celebration at The Madison. Our aim is to provide a seamless and enjoyable planning experience. To discover what makes us exceptional, please view our Welcome Video and connect with us on Instagram.

With over 35 years of distinguished experience in the local wedding industry, we appreciate the uniqueness of every celebration. Our extensive work at The Madison has given us a deep familiarity with the venue, and we would be delighted to discuss the finer details of your event. Allow us to explore how our award-winning services can elevate your vision and make your special day truly unforgettable.

The Madison package includes up to 6 hours of continuous coverage for your reception, priced at \$2095. As part of our exclusive referral program, we are pleased to offer a \$500 incentive, reducing your rate to \$1595. A modest \$65 round-trip travel fee to Cottage Grove applies, with gratuity additional. There are no set-up or tear-down fees, and no taxes—just exceptional service at an exceptional value. This package includes a wireless microphone for toasts, a state-of-the-art sound system, brand-new LED dance floor lighting, on-site backup equipment, and access to our comprehensive online music planner. To secure your reservation, a \$300 retainer is required, with the balance due 14 days prior to your event.

If you have a particular DJ in mind, we would be pleased to accommodate your request. Alternatively, many of our clients trust us to match them with a DJ who best complements their event based on the details you provide in your online planner. With our extensive knowledge of our DJs, we are confident in our ability to find the perfect fit for your celebration. You may also explore our DJ talent on our website. The quote provided is for one of our skilled Standard DJs, but if you wish to upgrade to a Premium DJ (+\$395) or an Exclusive DJ (rates vary), simply let us know, and we will adjust your quote accordingly.

For ceremonies held on-site at one of the outdoor locations, you may wish to consider adding our Basic Ceremony Package for \$495. This includes a separate 1-speaker sound system with a wireless microphone and an additional hour of coverage immediately preceding your reception, totaling 7 hours. Both systems will be set up prior to guest arrival to ensure a seamless transition between your ceremony, social hour, dinner, and dance. If your cocktail hour is in a different outdoor area from your ceremony, we will include that sound support for you.

For those interested in incorporating live music, we highly recommend our violin/cello duo or a solo guitar. Please inquire for rates. Should you have your own live musicians requiring amplification or an additional microphone, consider upgrading to our Ceremony Plus Package for an additional \$200. This includes up to 2 speakers and 2 extra inputs for musicians (musicians must provide their own cables).

Our mood lighting packages are also popular for enhancing the barn's ambiance. Lighting is available at \$50 per fixture, or \$40 per fixture with our "bundle and save" option when booked early. Set-up fees are additional. For inspiration, please view our Mood Lighting Gallery at The Madison.

I am here to assist with any questions or to schedule a phone consultation to discuss your event further.
