History of the barn:

- The barn was built in 1947, and was a working dairy barn until 1971.
- The barn is on the historic registry, and our house on the property was built in 1859, and is on the national historic registry!
- When the barn was converted to a venue many of its original features were saved, and repurposed throughout. Even the head table is made from repurposed lumbar from the barn!

Your safety is our priority

- The Madison is currently the only barn wedding venue in the state of Minnesota that has a 100% coverage fire suppression system.
- All exits are clearly marked with illuminated signs.
- In case of a power outage, we have an instant on 3 phase generator that provides power to the entire barn so your big day is uninterrupted!

Current Venue Pricing: *Subject to change.
